Comments to the Author

1. If the authors have adequately addressed your comments raised in a previous round of review and you feel that this manuscript is now acceptable for publication, you may indicate that here to bypass the "Comments to the Author" section, enter your conflict of interest statement in the "Confidential to Editor" section, and submit your "Accept" recommendation.

Reviewer #2: All comments have been addressed

Author response:

Thank you!

The revised manuscript contains a postscript, located at the end before References. In the postscript I acknowledge the release of limited 2020 census data and not that it agrees with my predictions.
